

## Co-production as enabler of independence: A shift in emphasis

**Dr Louise Morpeth**

**Is co-production  
essential to enabling  
people to live  
independently?**

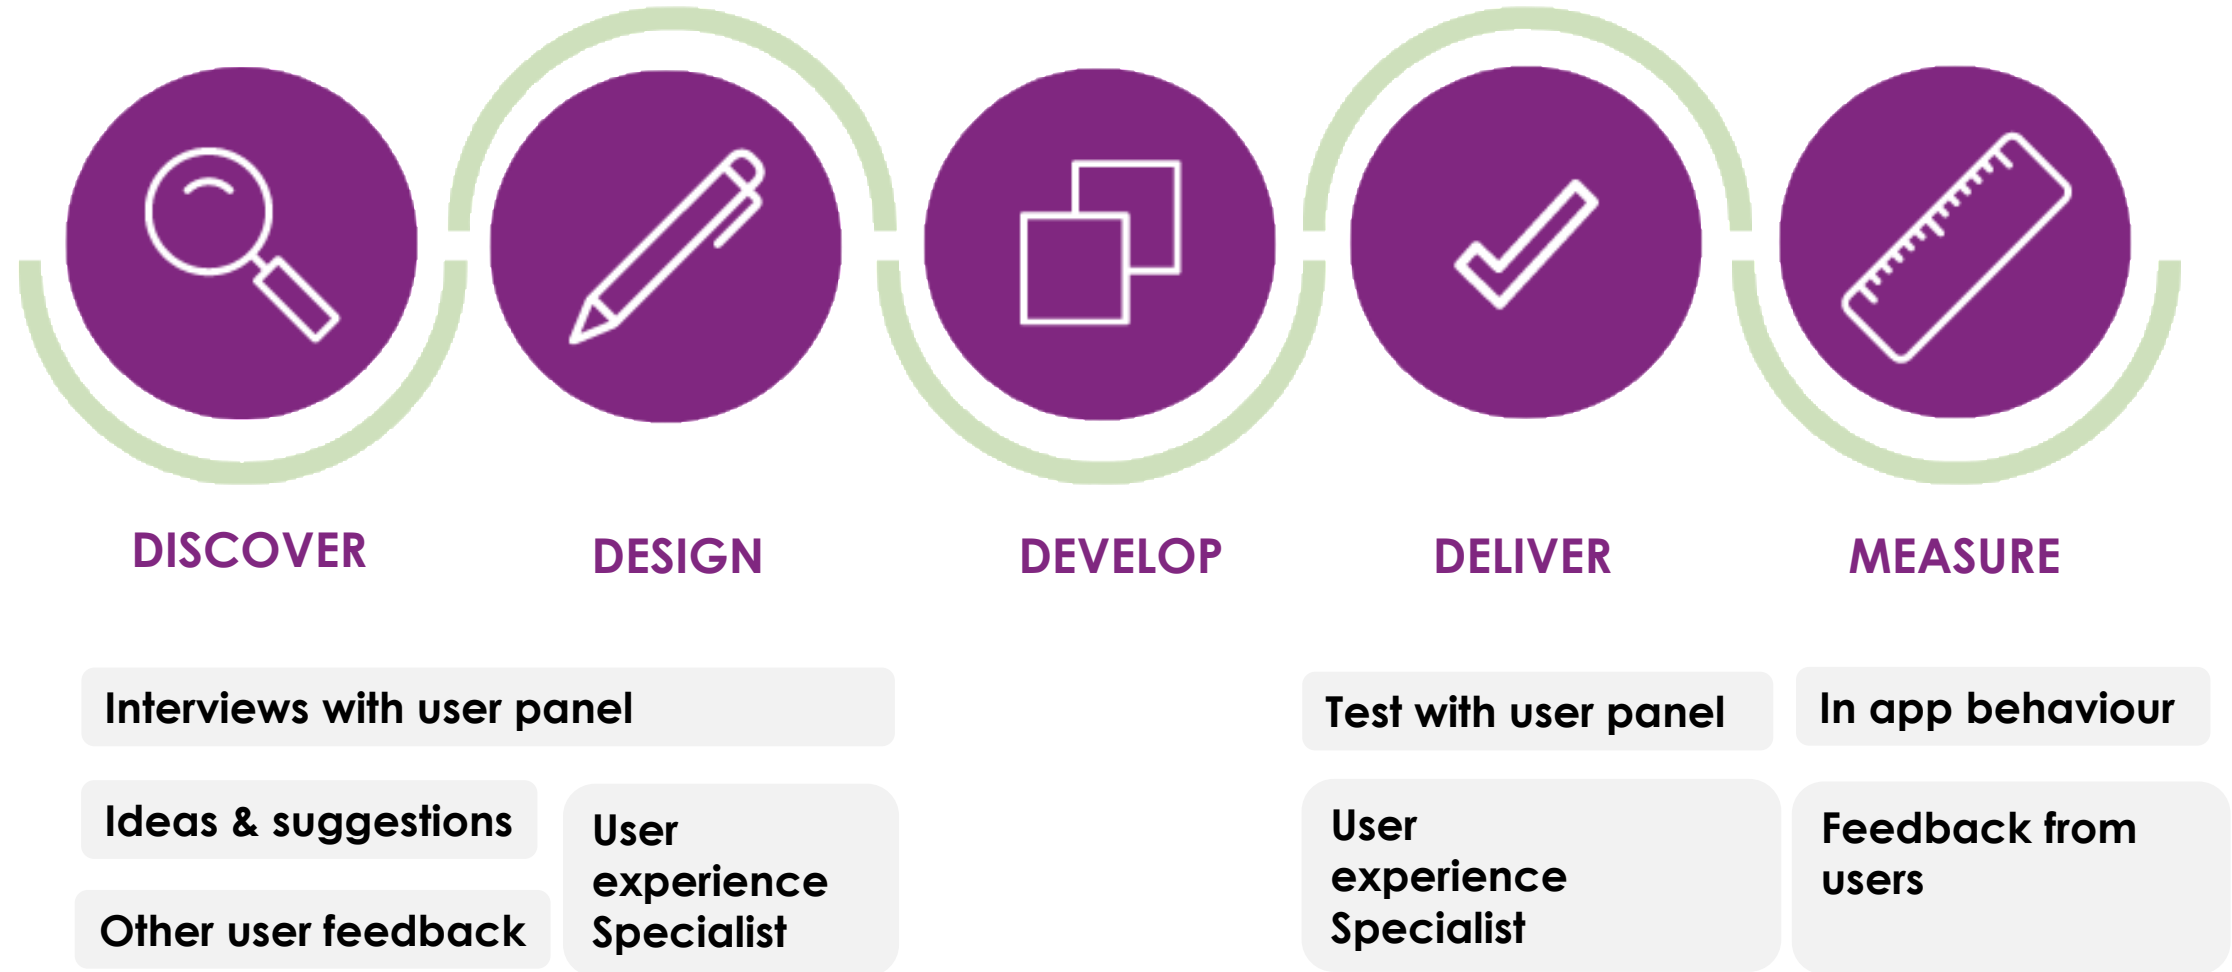

# The 4 Co's of Co-production

Dr. Elke Loeffler:

# Co-production at a product level

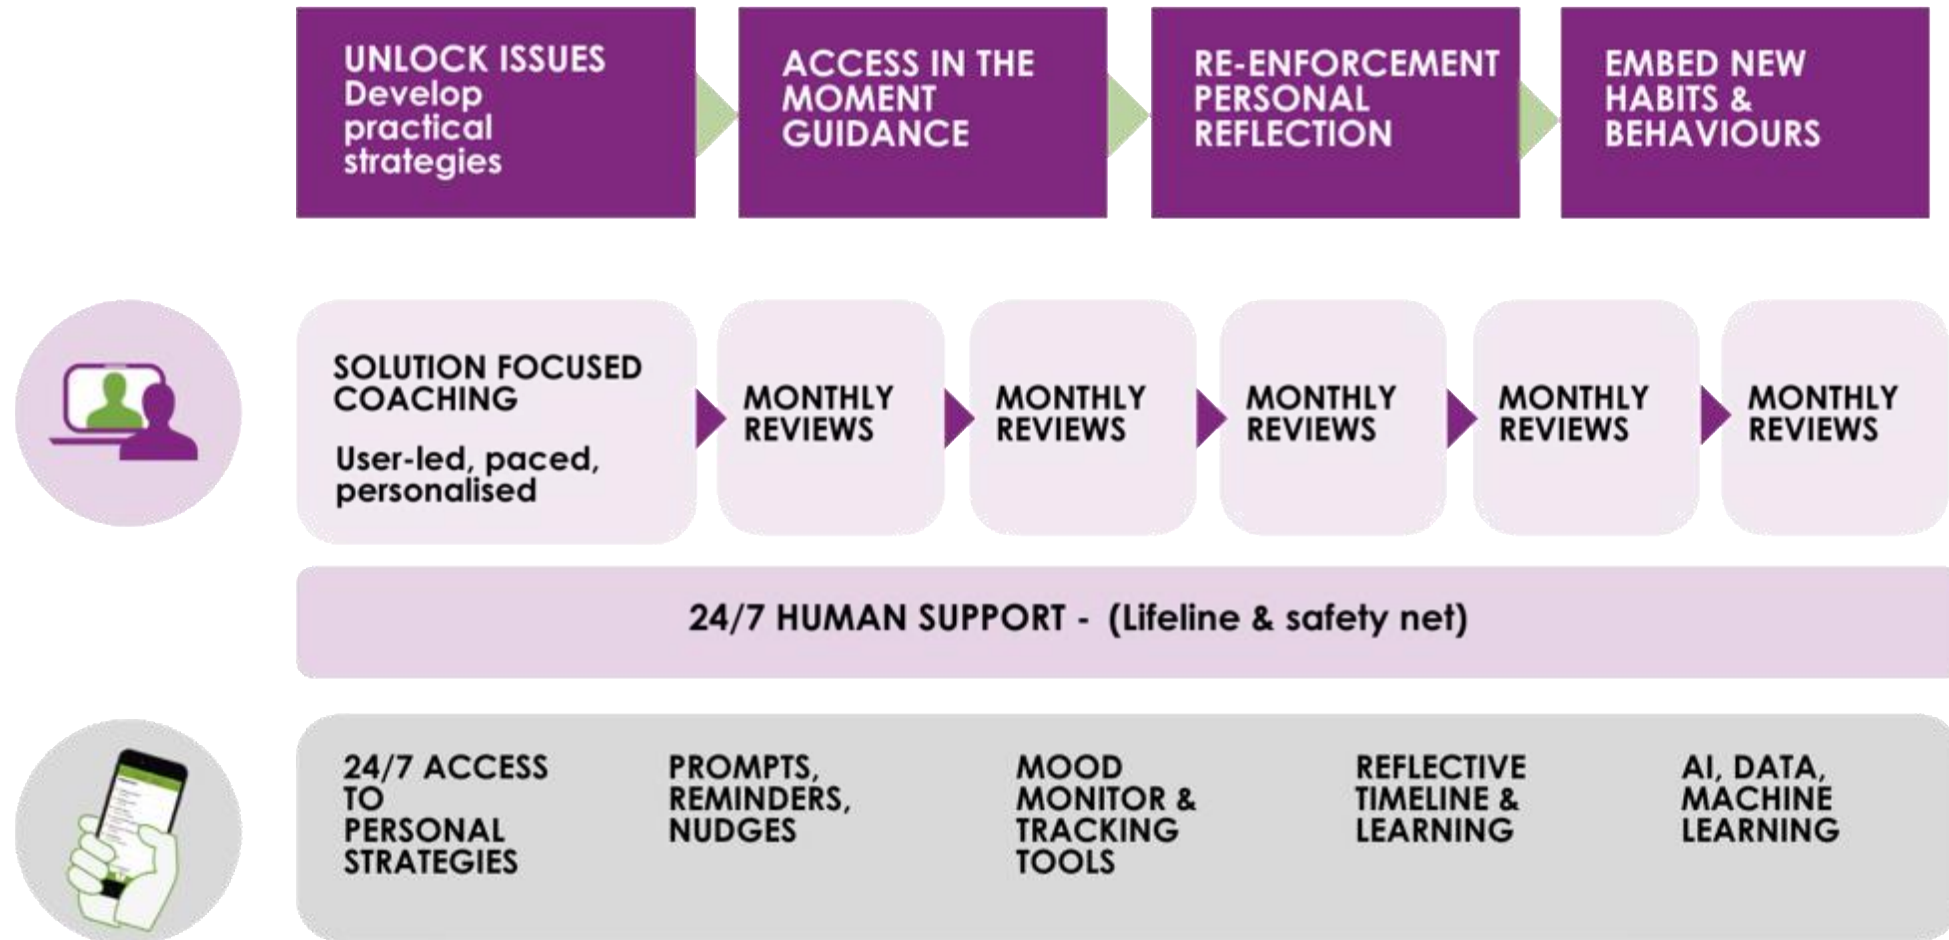

# Using activity data to support self-management outcomes design

1000+ users  
400K+ data records  
13 categories of problem areas

# Building independence: Co-production in delivery

# A mindset shift to enable independence

Administering  
Deciding for people  
Delivering “units of care”

Supporting  
Empowering choice  
Progressing independence

**Social Care as Cost**

**Social Care as Investment**
