

People's Everyday Lives Enriched, Enhanced and Enabled by Technology Enabled Care

Alyson Scurfield
Chief Executive

TSATM

The voice of technology
enabled care

**Strategic adviser for the TEC
sector, shaping national
policy and connecting care,
health and housing**

355 Members
Serving over 2 million people

TEC
Quality

TEC Quality's Quality Standards Framework turns compliance into credibility, raising the bar for safety, trust, and performance across the entire TEC ecosystem

87%

of people supported by telecare services in
the UK are through QSF Certified organisations

TEC is Key to the Government Agenda

1. Moving care from hospitals to the community
2. Shifting services from analogue to digital
3. Moving away from treating sickness to prevention

Collaboration & Partnerships

Analogue to Digital

- **2017 White Paper - Connecting People, Improving Lives: A Digital Future for Technology Enabled Care?**
- **We are leaders and drivers of change**
- **We remove barriers, reduce risk and improve quality**
